**"Finally Friday" is a weekly dial-in offering conversation, interactive activities, and company with some "older" New Yorkers who will share expert advice. Essentially, what's worth knowing?**

This week on "Finally Friday" the members of Phipps Plaza's Naturally Occurring Retirement Community in Kips Bay will share essential ingredients for the future. Gather up a belonging that has been essential during your time at home, something you can't live without, or something that you would take with you into the future. Connect with these soothsayers to share your own personal objects and get a storied prediction. What meaning does your object hold for the future?

RSVP for this event if you wish to participate by Zoom

Most members participate by Dial-in: +1 (929) 205 - 6099, and then enter meeting ID: 893 452 0253 #
